Now I request, Mr. Vivek Wadhera to give brief details for the business of the Company.

**Mr. Vivek Wadhera:**

The Company delivered strong financial results during FY 2023-24. The company witnessed an improvement in the overall economic environment and the impact of the same was seen on various aspects of the business, though different businesses showed different trajectory.

The Finance Lease business disbursements showed a significant uptick in disbursements for passenger cars and the Company also saw customers opting for equipment leasing (Desktops, laptops and servers) which helped the Finance Lease Business grow significantly as compared to the previous year. This is backed by strong sales efforts, adding new clients, deepening the relationship with the existing clients and a positive economic environment.

With regard to the lending businesses, the disbursements picked up slowly due to tighter credit policy. The focus continued to be on risk and collections. Revenue for the financial year 2023-24 was INR 4,444 Mn and Profit Before Tax was INR 858 Mn.

The liquidity position of the Company continued to be comfortable. The Credit worthiness of the company has been revalidated through a revalidation of AAA rating of our Long-Term Debt and A1+ of Short-Term Debt. The global markets are going through a higher interest rate cycle and the Indian economy is also impacted by it. In this scenario as well, the company was able to comfortably borrow from various sources and the Cost of Borrowings during the year was competitive as compared to the market rates.

The Company is backed by a very strong and supportive shareholder. Parental support has been demonstrated through corporate guarantees, parent loans and global committed lines. The active support and confidence from the shareholders will propel the Company's growth despite competitive pressures across business lines and extremely turbulent environmental conditions.

The Company was recognized as a Great Place to Work by the Great Place to Work Institute and it was ranked amongst the Top 50 Mid-Sized Companies to work for in India. This is a validation of our best-in-class people practices as well as the trust that our people have in the culture we have built over the years.

Thank you all. I request Mr. Matsuoka to take it ahead.
